

Haitao Capital

Haitao Capital is the first China-macro driven early stage founder focused venture fund. A team of founders, thinkers, dreamers and doers. We're pragmatic, contrarian and we're guided by our thesis **#CHINAMATTERS**

We focus on the 4 C's – areas we believe “a changing China will change the world”

+ Care // + Culture // + Creation // + Consumption

We invest in promising companies operating across healthcare & wellness; adtech & new retail; travel, entertainment & education; and disruptive technologies in fintech, transport, Agritech and food safety and more.

We put our time and money behind teams that challenge conventions, and teams that share our belief that **#ChinaMatters**.

Additionally Haitao Capital has recently launched a blockchain practice & fund. Our portfolio includes companies like Vechain, Aggregion, CPChain, NewChip, Tatao, Hedera Hashgraph, Ripple and more.
